## The Karma Overview

### How to get there?

The Karma Overview provides detailed information about a users karma points. It is reachable via the user profile view or the user dropdown.

The screenshot shows the user profile for John Smith. The 'Karma Overview' tab is selected. Below the profile information, there is a personal space section and a recent post. A user dropdown menu is open, showing 'Karma Overview' and 'Update Status...' options.

### Karma history graph, ranking and badges

The left column provides a graph which shows the current karma progress. This graph will be updated once a day. Below the graph the last 20 karma point events will be listed. The top right link on this column leads to a dialog that shows all actions that a user is able to get karma for.

The middle column shows all users which already gained karma sorted descending by their karma points. The currently selected karma user is highlighted in green.

The right column displays the users badges. It shows the already achieved badges and the badges which the user is currently working on. The top right link on this column leads to a dialog with all available badges.
